

SECOND SOUTH PACIFIC GAMES - NOUMEA 1966

FULL RESULTS OF THE ATHLETICS COMPETITION

The competition took place between 10th – 13th December

These results have been compiled from the official *Games Report* that was published by the Games Organising Committee, under the patronage of General Charles de Gaulle.

Corrections and additional names courtesy of Paul Jenés.

Hand timing was used - therefore the times are to one-tenth of a second.

For the country codes I have used the ones currently in use, except for those countries that had a different name in their pre-independence period.

NH - New Hebrides (now Vanuatu)

GE - Gilbert & Ellice (now Kiribati and Tuvalu)
